(d) Each recreational vehicle or truck camper shall be taxed as a recreational vehicle or truck camper in its first year of manufacture throughout the calendar year in which a recreational vehicle or truck camper of that make and model is first offered for sale in Indiana. However, a recreational vehicle or truck camper of a make and model first offered for sale in Indiana after August 1 of any year continues to be taxed as a recreational vehicle or truck camper in its first year of manufacture until the end of the calendar year following the year in which it is first offered for sale. Thereafter, the recreational vehicle or truck camper shall be considered to have aged one (1) year as of January 1 of each year.

Sec. 14. (a) Except as provided in this chapter, the tax imposed on a recreational vehicle under this chapter is payable for each registration year by the owner in respect to a recreational vehicle required to be registered for the registration year as provided in the state motor vehicle laws. Except as provided in section 15 of this chapter, the tax is due on or before the regular annual registration date in each year on or before which the owner is required under the state motor vehicle registration laws to register vehicles. The tax shall be paid to the bureau at the time the recreational vehicle is registered by the owner as provided in the state motor vehicle registration laws. A recreational vehicle subject to taxation under this chapter shall be registered by the owner as

C  
o

being taxable in the county of the owner's residence. The payment of the tax imposed by this chapter is a condition to the right to register or reregister the recreational vehicle and is in addition to all other conditions prescribed by law.

(b) The tax imposed on a truck camper under this chapter is due on or before the annual registration date in each year on or before which the owner is required under the state motor vehicle registration laws to register vehicles. The tax on the truck camper must be paid to the bureau. A truck camper subject to taxation under this chapter is taxable in the county of the owner's residence.

(c) A voucher from the department of state revenue showing payment of the tax imposed by this chapter may be accepted by the bureau instead of a payment under subsection (a).

Sec. 15. (a) This section applies only to a recreational vehicle.

(b) In respect to a recreational vehicle that has been acquired, has been brought into Indiana, or for any other reason becomes subject to registration after the regular annual registration date in the year on or before which the owner of the recreational vehicle is required under the state motor vehicle registration laws to register vehicles, the tax imposed by this chapter is due and payable at the time the recreational vehicle is acquired, is brought into Indiana, or otherwise becomes subject to registration. The amount of tax to be paid by the owner for the remainder of the year shall be reduced by ten percent (10%) for each full calendar month that has elapsed since the regular annual registration date in the year fixed by the state motor vehicle registration laws for annual registration by the owner. The tax shall be paid at the time of the registration of the recreational vehicle.

(c) If a recreational vehicle is acquired, is brought into Indiana, or for any other reason becomes subject to registration after January 1 of any year, the owner may pay the applicable registration fee on the recreational vehicle as provided in the state motor vehicle registration laws and may pay any excise tax due on the recreational vehicle for the remainder of the annual registration year and simultaneously register the recreational vehicle and pay the applicable registration fee and the excise tax due for the next succeeding annual registration year.

(d) Except as provided in subsection (h), a reduction in the applicable annual excise tax may not be allowed to an Indiana resident applicant upon registration of a recreational vehicle that was owned by the applicant on or before the applicant's annual registration period. A recreational vehicle owned by an Indiana

**C  
o  
p  
y**

resident applicant that was located in and registered for use in another state during the same calendar year is entitled to the same reduction when registered in Indiana.

(e) The owner of a recreational vehicle who sells the recreational vehicle in a year in which the owner has paid the tax imposed by this chapter shall receive a credit equal to the remainder of:

- (1) the tax paid for the recreational vehicle; minus
- (2) ten percent (10%) for each full or partial calendar month that has elapsed in the registrant's annual registration year before the date of the sale.

The credit shall be applied to the tax due on any other recreational vehicle purchased or subsequently registered by the owner in the same registrant's annual registration year. If the credit is not fully used and the amount of the credit remaining is at least four dollars (\$4), the owner is entitled to a refund in the amount of the unused credit. The owner must pay a fee of three dollars (\$3) to the bureau to cover costs of providing the refund, which may be deducted from the refund. The bureau shall issue the refund. The bureau shall transfer three dollars (\$3) of the fee to the bureau of motor vehicles commission to cover the commission's costs in processing the refund. To claim the credit and refund provided by this subsection, the owner of the recreational vehicle must present to the bureau proof of sale of the recreational vehicle.

(f) Subject to the requirements of subsection (g), if a recreational vehicle is destroyed in a year in which the owner has paid the tax imposed by this chapter and the recreational vehicle is not replaced by a replacement vehicle for which a credit is issued under this section, the owner is entitled to a refund in an amount equal to ten percent (10%) of the tax paid for each full calendar month remaining in the registrant's annual registration year after the date of destruction, but only upon presentation or return to the bureau of the following:

- (1) A request for refund on a form furnished by the bureau.
- (2) A statement of proof of destruction on an affidavit furnished by the bureau.
- (3) The license plate from the recreational vehicle.
- (4) The registration from the recreational vehicle.

However, the refund may not exceed ninety percent (90%) of the tax paid on the destroyed recreational vehicle. The amount shall be refunded by a warrant issued by the auditor of the county that received the excise tax revenue and shall be paid out of the special account created under section 21 of this chapter for settlement of

the excise tax collections. For purposes of this subsection, a recreational vehicle is considered destroyed if the cost of repair of damages suffered by the recreational vehicle exceeds the recreational vehicle's fair market value.

(g) To claim a refund under subsection (f) for a recreational vehicle that is destroyed, the owner of the recreational vehicle must present to the bureau a valid registration for the recreational vehicle within ninety (90) days after the date that the recreational vehicle was destroyed. The bureau shall then fix the amount of the refund that the owner is entitled to receive.

(h) If the name of the owner of a recreational vehicle is legally changed and the change has caused a change in the owner's annual registration date, the excise tax liability of the owner shall be adjusted as follows:

(1) If the name change requires the owner to register sooner than the owner would have been required to register if there had been no name change, the owner is, at the time the name change is reported, entitled to a refund from the county treasurer in the amount of the product of:

(A) ten percent (10%) of the owner's last preceding annual excise tax liability; multiplied by

(B) the number of full calendar months beginning after the owner's new regular annual registration month and ending before the next succeeding regular annual registration month that is based on the owner's former name.

(2) If the name change requires the owner to register later than the owner would have been required to register if there had been no name change, the recreational vehicle is subject to excise tax for the period beginning after the month in which the owner would have been required to register if there had been no name change and ending before the new regular annual registration month in the amount of the product of:

(A) ten percent (10%) of the owner's excise tax liability computed as of the time the owner would have been required to register if there had been no name change; multiplied by

(B) the number of full calendar months beginning after the month in which the owner would have been required to register if there had been no name change and ending before the owner's new regular annual registration month.

Sec. 16. (a) This section applies only to a truck camper.

(b) In respect to a truck camper that has been acquired, has

1 been brought into Indiana, or for any other reason becomes subject  
 2 to taxation after the regular annual registration date in the year on  
 3 or before which the owner of the truck camper is required under  
 4 the state motor vehicle registration laws to register vehicles, the tax  
 5 imposed by this chapter is due and payable at the time the truck  
 6 camper is acquired, is brought into Indiana, or otherwise becomes  
 7 subject to taxation under this chapter. The amount of tax to be  
 8 paid by the owner for the remainder of the year shall be reduced  
 9 by ten percent (10%) for each full calendar month that has elapsed  
 10 since the regular annual registration date in the year fixed by the  
 11 state motor vehicle registration laws for annual registration by the  
 12 owner. The tax shall be paid within thirty (30) days after the date  
 13 on which the truck camper is acquired, is brought into Indiana, or  
 14 otherwise becomes subject to taxation under this chapter.

15 (c) If a truck camper is acquired, is brought into Indiana, or for  
 16 any other reason becomes subject to taxation under this chapter  
 17 after January 1 of any year, the owner may pay any excise tax due  
 18 on the truck camper for the remainder of the annual registration  
 19 year and simultaneously pay the excise tax due for the next  
 20 succeeding annual registration year.

21 (d) The owner of a truck camper who sells the truck camper in  
 22 a year in which the owner has paid the tax imposed by this chapter  
 23 shall receive a credit equal to the remainder of:

- 24 (1) the tax paid for the truck camper; reduced by
- 25 (2) ten percent (10%) for each full or partial calendar month
- 26 that has elapsed in the owner's annual registration year
- 27 before the date of the sale.

28 The credit shall be applied to the tax due on any other truck  
 29 camper acquired by the owner in the owner's annual registration  
 30 year. If the credit is not fully used and the amount of the credit  
 31 remaining is at least four dollars (\$4), the owner is entitled to a  
 32 refund in the amount of the unused credit. The owner must pay a  
 33 fee of three dollars (\$3) to the bureau to cover the costs of  
 34 providing the refund, which may be deducted from the refund. The  
 35 bureau shall issue the refund. The bureau shall transfer three  
 36 dollars (\$3) of the fee to the bureau of motor vehicles commission  
 37 to cover the commission's costs in processing the refund. To claim  
 38 the credit and refund provided by this subsection, the owner of the  
 39 truck camper must present to the bureau proof of sale of the truck  
 40 camper.

41 (e) Subject to the requirements of subsection (f), if a truck  
 42 camper is destroyed in a year in which the owner has paid the tax

imposed by this chapter and the truck camper is not replaced by a replacement truck camper for which a credit is issued under this section, the owner is entitled to a refund in an amount equal to ten percent (10%) of the tax paid for each full calendar month remaining in the owner's annual registration year after the date of destruction, but only upon presentation or return to the bureau of the following:

- (1) A request for refund on a form furnished by the bureau.
- (2) A statement of proof of destruction on an affidavit furnished by the bureau.

However, the refund may not exceed ninety percent (90%) of the tax paid on the destroyed truck camper. The amount shall be refunded by a warrant issued by the auditor of the county that received the excise tax revenue and shall be paid out of the special account created under section 21 of this chapter for settlement of the excise tax collections. For purposes of this subsection, a truck camper is considered destroyed if the cost of repair of damages suffered by the truck camper exceeds the truck camper's fair market value.

(f) To claim a refund under subsection (e) for a truck camper that is destroyed, the owner of the truck camper must present to the bureau a valid receipt for the excise tax paid under this chapter on the truck camper within ninety (90) days after the date that the truck camper was destroyed. The bureau shall then fix the amount of the refund that the owner is entitled to receive.

(g) If the name of the owner of a truck camper is legally changed and the change has caused a change in the owner's annual registration date, the excise tax liability of the owner shall be adjusted as follows:

- (1) If the name change requires the owner to register a motor vehicle sooner than the owner would have been required to register if there had been no name change, the owner is, at the time the name change is reported, entitled to a refund from the county treasurer in the amount of the product of:

- (A) ten percent (10%) of the owner's last preceding annual excise tax liability; multiplied by

- (B) the number of full calendar months beginning after the owner's new regular annual registration month and ending before the next succeeding regular annual registration month that is based on the owner's former name.

- (2) If the name change requires the owner to register a motor vehicle later than the owner would have been required to

C  
o

1 register if there had been no name change, the truck camper  
 2 is subject to excise tax for the period beginning after the  
 3 month in which the owner would have been required to  
 4 register if there had been no name change and ending before  
 5 the new regular annual registration month in the amount of  
 6 the product of:

7 (A) ten percent (10%) of the owner's excise tax liability  
 8 computed as of the time the owner would have been  
 9 required to register a motor vehicle if there had been no  
 10 name change; multiplied by

11 (B) the number of full calendar months beginning after the  
 12 month in which the owner would have been required to  
 13 register a motor vehicle if there had been no name change  
 14 and ending before the owner's new regular annual  
 15 registration month.

16 Sec. 17. (a) This section applies only to a recreational vehicle.

17 (b) The owner of a recreational vehicle registered with the  
 18 bureau is entitled to a refund of taxes paid under this chapter if,  
 19 after the owner's regular registration date, the owner:

20 (1) registers the recreational vehicle for use in another state;  
 21 and

22 (2) pays tax for use of the recreational vehicle to another state  
 23 for the same period for which the tax was paid under this  
 24 chapter.

25 (c) The refund provided under subsection (b) is equal to:

26 (1) the annual license excise tax paid for use of the  
 27 recreational vehicle by the owner of the vehicle for the year;  
 28 minus

29 (2) ten percent (10%) of the annual license excise tax paid for  
 30 use of the recreational vehicle for each full or partial calendar  
 31 month beginning after the date the annual license excise tax  
 32 was due and ending before the date the owner registered the  
 33 recreational vehicle for use in another state.

34 (d) To claim the refund provided by this section, the owner of  
 35 the recreational vehicle must provide the bureau with:

36 (1) a request for a refund on a form furnished by the bureau;  
 37 and

38 (2) proof that a tax described in subsection (b)(2) was paid.

39 Sec. 18. (a) This section applies only to a truck camper.

40 (b) The owner of a truck camper is entitled to a refund of taxes  
 41 paid under this chapter if, after the owner's regular vehicle  
 42 registration date:

(1) the owner moves and registers the truck on which the truck camper is installed for use in another state;

(2) the owner pays tax for use of the truck to another state for the same period for which the tax was paid under this chapter; and

(3) the truck camper is located and used in the other state for the same period for which the tax was paid under this chapter.

(c) The refund provided under subsection (b) is equal to:

(1) the annual excise tax paid for use of the truck camper by the owner of the truck camper for the year; minus

(2) ten percent (10%) of the annual excise tax paid for use of the truck camper for each full or partial calendar month beginning after the date the annual excise tax was due and ending before the date the owner registered the truck for use in another state.

**Sec. 19. (a)** To claim a credit or refund, or both, under this chapter, a person must provide a sworn statement to the bureau or to an agent branch of the bureau that the person is entitled to the credit or refund, or both, claimed by the person.

(b) The bureau may inspect records of a person claiming a credit or refund, or both, under this chapter to determine if a credit or refund, or both, were properly allowed against the excise tax imposed on a recreational vehicle or truck camper owned by the person.

(c) If the bureau determines that a credit or refund, or both, were improperly allowed for a recreational vehicle or truck camper, the person who claimed the credit or refund, or both, shall pay the bureau an amount equal to the credit or refund, or both, improperly allowed to the person plus a penalty of ten percent (10%) of the credit or refund, or both, improperly allowed. The tax collected under this subsection shall be paid to the county treasurer of the county in which the person resides. However, a penalty collected under this subsection shall be retained by the bureau.

**Sec. 20. (a)** The bureau shall include on all registration forms suitable spaces for the applicant's Social Security number or federal tax identification number, the amount of the registration fee, the amount of excise tax, the amount of a credit, if any, provided under section 13 of this chapter, and the total amount of payment due on account of the applicable registration fees and excise taxes upon the registration of the recreational vehicle. The forms must include spaces for showing the county, city or town,

township, and address of the place where the owner resides.

(b) The bureau shall list on all registration forms for recreational vehicles the amount of registration fees and taxes due. In addition, the bureau shall prepare by December 1 of each year a schedule showing the excise tax payable on each make and model of recreational vehicle or truck camper.

Sec. 21. (a) The bureau, in the administration and collection of the tax imposed by this chapter, may use the services and facilities of license branches operated under IC 9-16 in the bureau's administration of the state motor vehicle registration laws. The license branches may be used in the manner and to the extent the bureau considers necessary and proper to implement and effectuate the administration and collection of the excise tax imposed under this chapter. However, if the bureau uses the license branches in the collection of excise taxes, the following apply:

(1) The excise taxes collected by each license branch, less any refunds made by the license branch, shall be deposited daily by the license branch in a separate account in a depository designated by the state board of finance. The county treasurer of the county for which the collections are due may withdraw funds from the account at least two (2) times each week. The county treasurer is responsible for the safekeeping and investment of money withdrawn by the county treasurer under this subdivision. Before the eleventh day of the month following the month in which the collections are made, the bureau shall report the excise taxes collected and refunds made outside the county to the county treasurer of the county to which the collections are due and the refunds apply. The bureau shall forward a copy of the excise tax report to the county auditor of the county.

(2) A license branch shall each week forward a report to the county auditor of the county to which the collections are due, showing the excise tax collected on each recreational vehicle or truck camper, each refund on a recreational vehicle or truck camper, and a copy of each registration certificate for all collections and refunds within the county.

(3) Each license branch shall report to the bureau all excise taxes collected and refunds made under this chapter in the same manner and at the same time as registration fees are reported.

(4) Premiums for insurance to protect the funds collected by license branches against theft shall be paid by the bureau,

except that the bureau may issue blanket coverage for all branches. The bureau may:

(A) self-insure to cover the activities of the license branches; or

(B) rather than purchase a bond or crime insurance policy for each branch, purchase a single blanket bond or crime insurance policy endorsed to include faithful performance to cover all branches.

(5) If the services of a license branch are used by the bureau in the collection of the excise tax imposed by this chapter, the license branch shall collect the service charge prescribed under IC 9-29 for each vehicle registered on which an excise tax is collected by that branch.

(6) If the excise tax imposed by this chapter is collected by the department of state revenue, the money collected shall be deposited in the state general fund to the credit of the appropriate county and reported to the bureau on the first working day following the week of collection. Except as provided in subdivision (7), money collected by the department that represents interest or a penalty shall be retained by the department and used to pay the department's costs of enforcing this chapter.

(7) This subdivision applies only to interest or a penalty collected by the department of state revenue from a person who:

(A) fails to properly register a recreational vehicle as required by IC 9-18 and pay the tax due under this chapter; and

(B) during any time after the date by which the recreational vehicle was required to be registered under IC 9-18 displays on the recreational vehicle a license plate issued by another state.

The total amount collected by the department of state revenue that represents interest or a penalty, minus a reasonable amount determined by the department to represent its administrative expenses, shall be deposited in the state general fund for the credit of the county in which the person resides.

The amount shall be reported to the bureau on the first working day following the week of collection.

The bureau may contract with a bank card or credit card vendor for acceptance of bank cards or credit cards. However, if there is a vendor transaction charge or discount fee, whether billed to the

bureau or charged directly to the bureau's account, the bureau shall collect from a person using the card an official fee that may not exceed the highest transaction charge or discount fee charged to the bureau by bank card or credit card vendors during the most recent collection period. The fee may be collected regardless of retail merchant agreements between the bank card and credit card vendors that may prohibit such a fee. The fee is a permitted additional charge under IC 24-4.5-3-202.

(b) On or before April 1 of each year, the bureau shall provide to the auditor of state the amount of taxes collected under this chapter for each county for the preceding year.

(c) On or before May 10 and November 10 of each year, the auditor of state shall distribute to each county one-half (1/2) of:

(1) the amount of delinquent taxes; and

(2) any interest or penalty described in subsection (a)(7); that have been credited to the county under subsection (a). There is appropriated from the state general fund the amount necessary to make the distributions required by this subsection. The county auditor shall apportion and distribute the delinquent tax distributions to the taxing units in the county at the same time and in the same manner as excise taxes are apportioned and distributed under section 22 of this chapter.

(d) The commissioner of insurance shall prescribe the form of the bonds or crime insurance policies required by this section.

Sec. 22. (a) The bureau shall establish procedures necessary for the collection and proper accounting of the tax imposed by this chapter. The necessary forms and records are subject to approval by the state board of accounts.

(b) The county treasurer, upon receiving the excise tax collections, shall place the collections into a separate account for settlement at the same time as property taxes are accounted for and settled in June and December of each year, with the right and duty of the county treasurer and county auditor to make advances before the time of final settlement of property taxes in the same manner as provided in IC 5-13-6-3.

(c) The county auditor shall determine the total amount of excise taxes collected for each taxing unit in the county. The amount collected shall be apportioned and distributed among the respective funds of each taxing unit in the same manner and at the same time as property taxes are apportioned and distributed.

(d) The determination under subsection (c) shall be made from copies of vehicle registration forms and receipts for excise taxes

 2 determination, the county assessor shall, from copies of  
 3 registration forms and receipts, verify information pertaining to  
 4 legal residence of persons owning taxable vehicles and truck  
 5 campers from the county assessor's records, to the extent the  
 6 verification can be made. The county assessor shall further identify  
 7 and verify from the assessor's records the taxing units within  
 8 which the persons reside.

9 (e) Verifications shall be completed not later than thirty (30)  
 10 days after receipt of vehicle registration forms and receipts by the  
 11 county assessor. The county assessor shall certify the information  
 12 to the county auditor for the county auditor's use when the  
 13 information is checked and completed.

14 Sec. 23. The county auditor shall, from the copies of the vehicle  
 15 registration forms and truck camper receipts furnished by the  
 16 bureau, verify and determine the total amount of excise taxes  
 17 collected for each taxing unit in the county. The bureau shall verify  
 18 the collections reported by the branches and provide the county  
 19 auditor adequate and accurate audit information, registration  
 20 form information, truck camper receipts, records, and materials  
 21 to support the proper assessment, collection, and refund of excise  
 22 taxes.

23 Sec. 24. The county auditor shall, not later than August 1 of a  
 24 year, furnish to the proper officer of each political subdivision an  
 25 estimate of the money to be distributed to the taxing units under  
 26 this chapter during the next calendar year. The budget of each  
 27 political subdivision must show the estimated amounts to be  
 28 received for each fund for which a property tax is proposed to be  
 29 levied.

30 Sec. 25. (a) An owner of a recreational vehicle who knowingly  
 31 registers the recreational vehicle without paying the tax required  
 32 by this chapter commits a Class B misdemeanor.

33 (b) An employee of the bureau or a branch manager or an  
 34 employee of a license branch office who recklessly issues a  
 35 registration on any recreational vehicle without collecting the tax  
 36 required to be collected with the registration commits a Class B  
 37 misdemeanor.

38 Sec. 26. The registration of a recreational vehicle registered  
 39 without payment of the tax imposed by this chapter is void. The  
 40 bureau shall take possession of the registration certificate, license  
 41 plate, and other evidence of registration until the owner pays the  
 42 delinquent taxes and an additional fee of ten dollars (\$10) to

compensate the bureau for performing the additional duties.

Sec. 27. In the administration and collection of the taxes imposed by this chapter, the bureau may contract with a collection agency to collect and receive property taxes on behalf of the county treasurer and receive and collect on behalf of the bureau the taxes imposed by this chapter and the registration fees and charges as the bureau directs. A collection agency shall comply with the requirements concerning the collection of property taxes on behalf of county treasurers and other requirements, including the posting of a bond, as may be established by the bureau.

Sec. 28. (a) The tax imposed by this chapter is equal to an average property tax rate of three dollars (\$3) on each one hundred dollars (\$100) of taxable value.

(b) For purposes of limitations on indebtedness of political or municipal corporations imposed by Article 13, Section 1 of the Constitution of the State of Indiana, recreational vehicles and truck campers subject to the tax under this chapter are considered to be taxable property within each political or municipal corporation where the owner resides.

(c) The assessed valuation of recreational vehicles and truck campers subject to the tax under this chapter shall be determined by multiplying the amount of the tax by one hundred (100) and dividing the result by three (3).

Sec. 29. In the administration and collection of the tax as imposed by this chapter, the bureau may coordinate and consolidate the collection of the taxes from each taxpayer as imposed on all recreational vehicles and truck campers owned by a taxpayer following procedures the bureau considers reasonable and feasible, including the revocation of all registrations of recreational vehicles by an owner if the owner willfully fails and refuses to pay the tax imposed by this chapter. Upon a revocation of registration, the bureau shall notify the department of state revenue of the name and address of the taxpayer.

(f) If a taxpayer's federal income tax liability for a taxable year is modified by the Internal Revenue Service, and the modification would result in a reduction of the tax legally due, the due date by which the taxpayer must file a claim for refund with the department is the later of:

- (1) the date determined under subsection (a); or
- (2) the date that is six (6) months after the date on which the taxpayer is notified of the modification by the Internal Revenue Service.
